

Appendix B

Additional Fees and Service Charges:

- The following fee's or charges have been adopted by the Animas Water Company for additional work performed, expected or requested to be performed, or for the purpose of penalties for violations of any of the Rules and Regulations of the Animas Water Company. Failure to pay charges, fees or fines within the billing period they were accrued in shall be considered just cause for the Animas Water Company to apply additional penalties and / or to disconnect water service.
